

**International Symposium of the World Association
of Veterinary Laboratory Diagnosticians**

SPONSORSHIP AND EXHIBITOR PROSPECTUS

Welcome from Co-Chairs

We are pleased to announce that the next International Symposium of the World Association of Veterinary Laboratory Diagnosticians - ISWAVLD 2025, which brings together over 500 participants from across the globe, will be held in Calgary, Canada, from June 12th-14th, 2025. ISWAVLD is the essential meeting place for all veterinary diagnosticians, biologists, veterinarians, students, and other scientists involved in laboratory diagnostics. ISWAVLD 2025 will be hosted by the Canadian Animal Health Laboratorian's Network (CAHLN), representing veterinary laboratorians across Canada. In addition to presenting the latest innovations around diagnostics in all areas of animal health, ISWAVLD 2025 will adopt the "One Health" theme of "Partnerships in Health: from Disease Detection to Prevention" bringing veterinary medicine, human medicine, and industry together. You will absolutely want to accompany us for this event with worldwide visibility, which will be the showcase of all that is best done in 2025 in terms of diagnostics. We would be honored to have you there!

Calgary is home to the newest veterinary school in Canada with a recently expanded veterinary diagnostic laboratory and a DVM student class and campus expanding for August 2025. Join us as we represent CAHLN and WAVLD for ISWALVD 2025. We look forward to seeing you in Calgary for this exciting scientific and social event!

Sincerely,

Dr. Jennifer Davies and Dr. Lindsay Rogers
Symposium Co-Chairs

Why You Should Sponsor/Exhibit

We appreciate that ISWAVLD would not be possible without the involvement and support of our important partners.

- ✿ Become a valued Sponsor or Exhibitor at ISWAVLD 2025 and participate in the premier international event for the veterinary laboratory diagnostician community.
- ✿ Gain significant brand exposure to over 500 key potential customers including government, university, and private individuals and laboratories.
- ✿ Receive maximum exposure through the combined exhibition, refreshment, and poster area.
- ✿ Increase awareness and exposure of your organization via a variety of marketing mediums.
- ✿ Develop business connections and strengthen relationships through face-to-face engagement.
- ✿ Exhibit and generate new leads, develop your brand or launch a new product through the exhibition.
- ✿ Maximize your time and resources by showcasing your organization to a relevant and influential audience in an environment away from the competition of everyday distractions.
- ✿ Ensure your organization stays abreast of current developments and research in the field and use this information to stay ahead of the market.
- ✿ See how your contribution directly influences the industry by participating in this important and exciting event!

Host City & Venue

Nestled at the foot of the iconic Canadian Rocky Mountains, Calgary is a place on the fringe - familiar, but largely undiscovered. From its bustling downtown to character-filled neighbourhoods and unparalleled nature, Calgary is full of secrets, surprises, and stories — and Calgarians are eager to share those experiences with the world. Renowned for its warm western hospitality, Calgary prides itself on being the Ultimate Host City. With one of the world's most modern, welcoming airports, world-class accommodations and venues, an exploding culinary, arts and culture scene, and an impressive list of attractions and activities to suit every type of visitor, Calgary is a city that delivers a remarkable experience from arrival to departure.

ISWAVLD 2025 will be hosted at the Calgary TELUS Convention Centre (CTCC). The CTCC is much more than just a venue; it is a space of community and inspiration where ideas are shared, and meaningful connections are made. Located on the iconic Stephen Avenue in the centre of Downtown Calgary, the CTCC is connected to the Calgary Marriott Downtown Hotel, Fairmont Palliser and Hyatt Regency. The convention neighbourhood has a diverse collection of restaurants, retail shops, live theaters, concert halls, convention facilities, museums, art galleries, and Calgary's business towers. An event at the CTCC is an experience like no other!

Host City & Venue

The University of Calgary Faculty of Veterinary Medicine and Diagnostic Services Unit

The University of Calgary Faculty of Veterinary Medicine (UCVM) was established in 2005 to meet Alberta's need for highly skilled veterinary graduates to support rural Alberta, production animal and equine industries, animal and human health research, and public health. In a short period of time, UCVM has carved a reputation for itself as place for innovative veterinary education and cutting-edge basic and applied research, now ranking in the top 50 veterinary programs worldwide.

The Diagnostic Services Unit (DSU) provides veterinary anatomic pathology, histopathology, cytology, and bacteriology services to the Alberta veterinary community and researchers. Recent expansion of services at the DSU are the result of unique public and private partnerships to meet the needs of the Alberta livestock communities. The DSU's vision is to be the center of veterinary diagnostic excellence and innovation in Alberta.

Host Organization: The Canadian Animal Health Laboratorian's Network

CAHLN was created in 2002 to promote the exchange of information on trends, techniques and research in the field of animal health diagnostics; provide an opportunity for "networking" to identify issues of common concern in this area; and to facilitate relationships between organizations and scientists who work in the field of animal health diagnostics in Canada.

CAHLN includes people from all specialties of laboratory diagnosis, including specialists in bacteriology, pathology, immunology, virology, parasitology, toxicology and molecular biology.

We strongly encourage graduate students to participate in our network.

Target Audience

ISWAVLD 2025 will bring together over 500 practicing and research diagnosticians, veterinarians, biologists, students and other scientists from all around the world. Elevate your company profile with ISWAVLD 2025!
